

Heather White: After working on a few photographic shoots at the Guy Kremer Salon I have discovered all the skills and talent of make up artist Heather White.

She mixes classic, glamorous and funky styles so easily to make my models look spot on for the magazines. This is why when I needed a strong, talented and committed makeup artist for the L'Oreal Colour Trophy 2008 Heather was my first choice. I'm very glad to say that I was very satisfied with Heather's contribution to this big event. She is fantastic work wise but also very friendly which is great when working as a team. Thanks again Heather.....
